

Grant Assistance for Grass-roots Human Security Projects 2009/2010

Title	NO MORE LONG WALK FOR SCIENCE CLASSES, THE FUND FROM JAPAN PROVIDES QUALITY LEARNING FACILITY FOR NDAUNI MIXED DAY SECONDARY SCHOOL
Date	26 th February 2010
Location	Mbooni East District
Project title	The Project for the Expansion of Ndauni Mixed Day Secondary School
Amount	US\$ 83,659
Attendance	<ul style="list-style-type: none"> • H.E. Shigeo Iwatani, Ambassador of Japan • Mr. Kosaku Onaka, Second Secretary of the Embassy of Japan • District Officer • Mr. John Sila, Ndauni Secondary School Chairperson • Mr. Justus Katiku, head teacher • Others: about 400 people including students and parents
Main activity	The Grant Signing Ceremony was held at the Ndauni Mixed Day Secondary School. The Grant Contract was signed between Ambassador Iwatani and Mr. John Sila, witnessed by Mr. Onaka. Due to the lack of science laboratory the students spent 2 hours walking to other schools to keep up with their study needs. The new school will ease their burden and can bring them opportunity to meet quality educational standard.
Items	<p>The Project includes the following activities:</p> <ul style="list-style-type: none"> - Construction of four classrooms - Construction of science laboratory - Construction of sickbay - Purchase of school laboratory equipments and furniture - Purchase of sickbay equipments
	<div style="text-align: center;">  </div> <p>Exchange of GC between Mr.Onaka and the Chairman of the school committee</p>

Mr. Onaka hands over a check to the school committee

The community applauds after the check is handed over.
