December - February 2021

### Foreign Minister Motegi's Courtesy Call on H.E. Mr. Uhuru Kenyatta

On January 13th, 2021, Mr. MOTEGI Toshimitsu, Minister for Foreign Affairs of Japan, paid a courtesy call on H.E. Mr. Uhuru Kenyatta, President of the Republic of Kenya. President Kenyatta welcomed Minister

Motegi for visiting from Japan, which has had a long history of partnership with Kenya. Minister Motegi in turn expressed his pleasure at visiting Kenya and stated that Japan would continue to cooperate with Kenya.

During the meeting, both Minister Motegi and President Kenyatta shared their views on pushing ahead with cooperating in areas including bilateral economic cooperation, human resources development, a "Free and Open Indo-Pacific" and blue economy, TICAD8 to be held next year, peace and stability in the Horn of Africa, and the United Nations Security Council reform.

### Japan-Kenya Foreign Ministers' Meeting

On January 13th, 2021, Japan's Foreign Minister, Mr. Motegi, held a

Meeting with Ambassador Raychelle Omamo, Cabinet Secretary, Ministry of Foreign Affairs.

During their meeting, the two Ministers exchanged views on the

situation in the Horn of Africa as well as the United Nations Security Council reform and shared the view on reinforcing cooperation.

### Foreign Minister Motegi's Meeting with Ambassador Dr. Amina Mohamed

On January 13th, 2021, Foreign Minister Motegi, held a meeting with Ambassador Dr. Amina Mohamed, Cabinet Secretary for Sports, Culture and Heritage of the Republic of Kenya.

During their meeting, Ambassador Dr. Amina Mohamed stated that she was pleased to meet Minister Motegi again in Kenya.

In response, Minister Motegi commended the achievement of Ambassador Amina Mohamed in bringing about the success of TICAD VI, the first TICAD Meeting held in Africa, by closely working with Japan as the then Cabinet Secretary for Foreign Affairs.

Minister Motegi shared with Ambassador Amina Mohamed that many Kenyan athletes achieved great success in Japan and that the bilateral relations in the field of sports were steadily growing.

In response, Ambassador Amina stated that the overall bilateral relations were advancing steadily through sports and cultural exchanges, and that she hoped to cooperate with Japan for a successful Tokyo Olympic and Paralympic Games.

### Three robots, with support from the Government of Japan, are launched to enhance Kenya's fight against COVID-19

On January 22nd, 2021, the United Nations Development Program (UNDP) with financial support from the Government of Japan launched a smart anti-epidemic robot solution. The three robots, named 'Tumaini' (Hope), 'Jasiri' (courageous) and 'Shujaa' (hero) are expected to provide support to the Kenyan frontline healthcare workers in their arduous efforts to combat against COVID-19.

This project is a part of the Government of Japan's ongoing efforts to support the Kenyan people during the COVID-19 pandemic. Previously, Japan has assisted Kenya in the provision of PCR testing kits with a capacity of 50,000 tests to KEMRI, the procurement of medical equipment and the provision of grant aid for the development of electric power distribution system. The total amount of Japan's COVID-related aid to Kenya so far is more than KES 10 billion.

## Government of Japan and UN Women mark new project to enhance women's resilience

H.E. Ambassador Horie signed the Exchange of Notes (E/N) for 'The Project for

Enhancing Women's Resilience in Refugee Camps and Host Communities' with Ms. Anna Mutavati, Kenya Country Director for UN Women at the Embassy of Japan on February 10th, 2021. This project aims to raise awareness of the underestimated status of women and girls through advocacy campaigns. The project targets different groups including community leaders and male groups. This project is to be implemented in

partnership with various actors including the Government of Kenya, County Governments of Turkana and Garissa, UN sister agencies, as well as Japanese NGOs and companies.

Through financing this project, the Government of Japan affirms its support for building resilience and strengthening self-reliance for both local communities and for refugee communities in Kenya.
